

Tri-County Drought Twilight Meeting

Hosted by Curt Stivison, 6680 Harvey Chapel Road, Logan, OH at 7 PM

Tuesday, July 31st

Come to discuss extending pasture/hay supply.

See cows grazing on oats planted into pasture between the July 4th rains:

Other discussion items:

How to extend feed:

- ? Oats/other forage for pasture or hay yet this year and/or early spring

Herd management/market management:

- ? Early weaning, selling or feeding calves
- ? Culling, contract feeding of calves/cows elsewhere
- ? Lower stocking rate, shorter time on pasture
- ? Strip and rotational grazing during drought

Water to animals during drought

- ? Cost share programs
- ? Emergency/short term solutions other than hauling water

From Logan: 93 N, left on Bremen, right on Bear Run, immediate left on Harvey Chapel, on right before Dewey Road.

From Bremen: 664 S, straight at split onto 312 for about 3 mi, right on Bethel, turns into Harvey Chapel, on left about 2.3 mi after leave 312 after Dewey Road.
